REPORTING

Reports that fit your needs - see reports you need the way you need to see them with CenterPoint Payroll's customized reporting Tools and Favorites feature! Easily modify reports by adding or removing columns of information, and quickly filter data within a report to view the information you need. Modified reports can be saved to your Favorites tab and reports can be exported to Excel or PDF files.

- ACA (Affordable Care Act) Reporting
- Payroll Data Reports
 - Payroll Register
 - Earnings
 - Deduction and Benefits
- Payroll Tax Data Reports
 - Tax Liability
 - Federal Tax Reports
 - State and Local Tax Reports

TAX FORMS

Federal Forms

Print or eFile

- Annual 940 Form
- Quarterly Federal Tax (941) Form
- Annual Federal Ag Tax (943) Form
- Hiring Incentives to Restore Employment (HIRE) Act
- W-2 Form
- 1099 Forms

State Forms

Over 200 State Forms available - Over 200 State Forms (Tax Deposit, Unemployment and New Hire reports) are available for printing or eFiling. The data for these reports is easily transferred from payroll to the form where it can be reviewed, modified as needed, and then printed on plain white paper ready to submit or eFile.

CHECKS

- Preview pay before printing checks
- Several different check formats are available for your use including a full size 8.5" x 11" check that uses a longer stub letting you see more details regarding your earnings, deductions, and taxes
- Check stubs printed in English, another language or both if the two stub check option is selected

- Print checks for all liability deductions including; insurance, 401K plans, taxes, etc.
- Easily enter manual checks

DIRECT DEPOSIT

- Deposit to unlimited bank accounts per employee
- Print stubs for direct deposit advice to give employees
- Easily issue a one-time paper check, instead of a direct deposit check, for bonus or profit sharing purposes.
- Flexibility of choosing the bank you wish to work with
- Deposit funds for employee deductions directly to third party payees, such as HSA or 401K management companies

SECURITY & RELIABILITY

- Data security and reliability through client/server Microsoft®
- Reminders for critical processes
- Automatically receive product updates
- Built in data backup processes

SUPPORT

- Unparalleled U.S. based support
- Guaranteed response times, and excellent service. 100% of our product enhancements are based on customer requests, so you have a say in the features of the product you are using
- Variety of training options, including on-site and web
